2. Membership card is now available on the website

A new feature "Membership Card" has been added to Member Tools on the IASS website.

Members can access, print, and share their cards certifying membership in the Association 24/7 from their member profile. Membership cards are updated automatically when members renew and when member details change.

To access the Membership Card log in to the website and then go to **Member Tools** and select **My Profile -> View profile**.
